THE AESTHETIC & SYMBOLIC RECTANGLE

THE ICONIC ARENA OF ART

Nature and Culture represent twin dimensions of human experience.
Through their alchemy,
they shape the world in which we dwell.

Like complementary colors, Nature and Culture reveal each other’s true identity.
Their contrast—and their unity—have shaped life and art since the beginning of civilization.

FOR MERCEDES

The architect of my magical world beyond the rectangle

JEF7REY HILDNER is an architect, painter, and writer whose work reimagines the myth of Daedalus through speculative fiction and the art of Form and Story.

He currently lives in Los Angeles, California, and Rivera, Uruguay.
